........................DENIAL........................OF STATE ENGINEER

deny
This is to certify that I have examined the foregoing application, and do hereby ~~grant~~ the same, subject to the

following limitations and conditions:

        This application is denied on the grounds that the granting
    of water rights for additional ground water development from the
    designated Lemmon Valley basin would conflict with existing rights
    and threaten to prove detrimental to the public welfare in this
    area where appropriations and pumpage exceed estimates of avail-
    able yield.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and

not to exceed..cubic feet per second..

Actual construction work shall begin on or before..

Proof of commencement of work shall be filed before..

Work must be prosecuted with reasonable diligence and be completed on or before..

Proof of completion of work shall be filed before..

Application of water to beneficial use shall be made on or before..

Proof of the application of water to beneficial use shall be filed on or before..

Map in support of proof of beneficial use shall be filed on or before..

Commencement of work filed..
Completion of work filed..
Proof of beneficial use filed..
Cultural map filed..
Certificate No........................Issued........................
Recorded........................Bk........................Page........................
........................County Recorder

IN TESTIMONY WHEREOF, I ROLAND D. WESTERGARD,
State Engineer of Nevada, have hereunto set my hand and the seal of
my office, this........23rd........day of........June........,

A.D. 19..77

State Engineer
